FAQs

Q: Why should I finance my project when I can pay cash or use a credit card?

Financing a project with GreenSky allows you to conserve both your money and your equity, and typically offers a lower interest rate than a credit card. GreenSky has many promotional offerings with same-as-cash benefits, but without your having to pay out of pocket all at once.

Q: What type of credit does GreenSky offer?

We offer unsecured loans with fixed interest rates. Unlike a revolving credit card, your monthly payment amount is always the same. You can also pay off your loan at any time without any penalties.

Q: Where can I use my loan?

Use your GreenSky Account Number to pay for services and products offered by the Dealer with whom you apply.

Q: How do I make a payment?

It's simple – pay online or by phone, or schedule automatic payments to be drafted from your bank account. The choice is yours. And there is never a penalty for paying off your loan early. Apply today at www.greenskycredit.com/consumer or call 866-936-0602.

Q: How do I pay my contractor?

Once approved you will be issued a 16-digit account number and expiration date. When you want to pay, just provide these numbers to your contractor to process the purchase as if it were a credit card.

Q: How long do I have to use my loan?

Once approved, you have four months to make your purchases.

Q: When is my first payment due?

Depends on your plan. No Interest/No Payment plans don't require a payment until the end of the promotion period. The first payment on a fixed rate plan is typically due approximately 30 days after the first purchase.

Q: When does the No Interest No Payment plan promotion window begin?

At the time of your first transaction.
